Dated: 12 March 2024

To
Chief Project Manager,
Aerocity-Tughalakabad Metro Project
Dhaura Kuan, New Delhi.

Subject: Request for remedial work required deal with for the security threat caused due to dumping of excavated material by DMRC.

Dear sir,

A constant Security threat to the E 1, Vasant Kunj Society due dumping of a huge volume of excavated material on the vacant land opposite the A Block of our Society by DMRC. Due to the dumping the level of the land opposite A Block has risen almost to the level of our boundary wall which has made it easier for the miscreants on that side to play mischief of stone throwing etc on the Society side, which is a threat to the safety to the man and material of the Society.

Accordingly, it is requested to raise the height of the Boundary wall opposite A Block of the Society to sufficient level to deter the miscreants on the opposite side from causing any harm to the man and material of the Society.

Thanking you.

Yours sincerely,
Ramesh Chander
(Treasurer)
